Shared Interest Society. Despite the progress made in increasing the availability of financial services, the majority of people living in developing countries struggle to access finance. Through our lending, we empower smallholder farmers and artisans to improve their business operations, access commercial markets, create employment opportunities and to contribute to the alleviation of poverty in their respective communities. We do this by lending money in two ways: directly to fair trade producer groups (producer lending), and to fair trade buyers (buyer lending). This year, we made 1,589 recipient producer payments to 253 organisations in 55 countries. You may invest savings in Shared Interest and receive 0.25% interest www.sharedinterest.com

CAFOD

Fairtrade stall this weekend. Please support the poor communities overseas who provide this quality produce at keen prices.

Action on climate - The Time is Now! 1,500 CAFOD supporters were part of an estimated 12,000 people at The Time is Now lobby of Parliament on 26 June. Thank you if you managed to be there or encouraged people to go. We told our MPs that this climate crisis is not the legacy we want to leave for our grandchildren. With at least 300 MPs coming out to meet their constituents we know our voices were heard. Hundreds of children, students and young people were also part of the day.

Food bank Thank you for all your gifts. Please remember that you may give toiletries, too, for the homeless.

Our Lady

18th-20th July The Image of Our Lady of Walsingham will be visiting the Catholic Military Cathedral in Aldershot as part of the preparations for the reconsecration of England to Mary.

There is a full programme of prayer which can be found on the Dowry tour website. <http://dowrytour.org.uk/military/> There is also a poster with these events on at the back of Church. This is a wonderful local event to celebrate our relationship with the Mother of God.

“When England goes back to Walsingham, Our Lady will return to England”

These prophetic words of Pope Leo XIII seem to indicate that Walsingham is intimately associated with the spiritual health of England. The Walsingham (Pynson) Ballad reflects the tradition that the title ‘Dowry of Mary’ goes back to St Edward the Confessor, in whose reign (1042-1066) the Holy House was built. Whether the title originated in Walsingham or not, the title was certainly promoted there. The Holy House in Walsingham was erected as a replica of Mary’s house in Nazareth, which led to England becoming known as the “Holy Land, Our Lady’s Dowry”, and Walsingham being called the “New Nazareth”

So the 2020 rededication will be the offering of the faith of the people of this country to the Mother of God, to seek Our Lady’s prayers for the loving care and protection of our country.
