Offertory

We are experimenting with reintroducing the offertory collection in the mass. For many of us the DONA machine will continue to be the preferable way to give (in which case let the basket pass you by!), but this enables us to acknowledge the collection as we symbolically lay it before the altar and for those who still use cash will make it easier to differentiate between main offertory collection and the second collections when we have them.

The DONA machine and second collection basket will remain at the door, and standing order forms are available there as well. We need at least £750 a week (in each parish) to meet our obligations - which is raised through your generous donations. Thank you.

Please pray for the repose of the soul of Margaret White

Day for life

Day for Life Sunday 18 June

The Church teaches that life is to be nurtured from conception to natural death. In England and Wales, Day for Life is celebrated on the third Sunday of June each year.

The theme is 'Listen to Her' and focuses on post-abortion trauma and the impact of abortion primarily on women, but also men and others.

The 2023 Day For Life message is unique in that the bishops' have given it over to a Catholic woman who has had an abortion to share her experiences. Often the voices of women who have had an abortion are silent in Church and in society. The hope is that this will help break this silence and offer further opportunities for healing and reconciliation.

Pray a novena for the day for life. It is offered to encourage a flourishing of a culture of life, with a particular focus, on ending abortion and healing the trauma of abortion.:

NOTICES

Podcast - Helping women recover and heal after an abortion

Rachel's Vineyard is a healing ministry for those who are suffering from the trauma of abortion, or have been closely connected to someone who is – whether they're siblings, grandparents, aunts, cousins. Rachel's Vineyard recognises that abortion impacts the wider family and community. The organisation also supports those that have worked in the abortion industry and struggle with the part they have played in abortion decisions.

Rachel McKenzie is the director of the Birmingham-based charity and spoke to us back in June 2022 about the ministry and the growing numbers of people seeking help.

The Catholic Truth Society have released one of their free audiobooks: Exorcism - Understanding Exorcism in Scripture and Practice

Both secularism and superstition have popularised some very distorted ideas about exorcism. This audiobook, based on the booklet by an experienced exorcist, looks at its origin in the Gospels and its practice in the Church today. Different kinds of demonic influence are discussed, including their relation to conversion and sin and mental illness. Above all, this audiobook gives the good news that in Christ the Devil is already defeated and that the Church carries this victory to those in need.

After working as a doctor in England and in Mission Hospitals abroad, Father Jeremy Davies was ordained in 1974 and appointed a diocesan exorcist in 1986. He later co-founded the International Association of Exorcists, alongside Fr Gabriele Armorth. He died in 2022 at the age of 87.
