### Offertory

**We are experimenting with reintroducing the offertory collection in the mass.** For many of us the DONA machine will continue to be the preferable way to give (in which case let the basket pass you by!), but this enables us to acknowledge the collection as we symbolically lay it before the altar and for those who still use cash will make it easier to differentiate between main offertory collection and the second collections when we have them.

The DONA machine and second collection basket will remain at the door, and standing order forms are available there as well. We need at least £750 a week (in each parish) to meet our obligations - which is raised through your generous donations. Thank you.

### 2nd Collection Next Sunday

*Peter's Pence*

Thank you for the Day for Life 2nd Collection  
*Holy Family: £100.00 (Dona £70.00; Cash £30.00)*  
*Holy Angels: £123.50 (Dona £65.00; Cash £58.50)*

### NOTICES

#### Children's Liturgy Holy Angels

Children's liturgy is now ready to restart, hopefully beginning next week, though it will not be running every week at first. We Need more volunteers!  
Current safeguarding procedures however, mean that every child in Children's liturgy must have had a registration form filled in or be accompanied by an adult. Children are to be brought to the Hall before mass so that they can be registered as being present for the liturgy.

Please pray for the repose of the soul of Margaret White

### **Podcast - Helping women recover and heal after an abortion**

Rachel's Vineyard is a healing ministry for those who are suffering from the trauma of abortion, or have been closely connected to someone who is – whether they're siblings, grandparents, aunts, cousins. Rachel's Vineyard recognises that abortion impacts the wider family and community. The organisation also supports those that have worked in the abortion industry and struggle with the part they have played in abortion decisions.

Rachel McKenzie is the director of the Birmingham-based charity and spoke to us back in June 2022 about the ministry and the growing numbers of people seeking help.

**The Diocese is seeking to recruit a part time Senior Administrator for our Tribunal team.** The main work of the team is handling marriage cases including supporting those seeking to have a prior marriage annulled. The role would suit a Senior Administrator capable of working independently to coordinate people and resources, so that cases are managed correctly and efficiently.

The successful candidate will not need prior knowledge or understanding of the work of the Tribunal as full training will be given. This is a small and committed team working with a wide range of stakeholders, sometimes managing sensitive issues. The role includes some coordination of volunteers. To read the full job description and apply please click here and visit the Careers section of the diocesan website - the closing date for applications is Tue 18 July.

### **Welcome to Homes for Ukraine webinar Wednesday 28 June 7.30pm-8.30pm**

During the online presentation "Welcome to Homes for Ukraine", you will learn about SJOG Hospitaller Services, their Projects and History. You will have a chance to learn about SJOG "Homes for Ukraine" matching service, as well as who is eligible to be sponsored, and a typical portrait of a Ukrainian displaced individual you might expect to host. We will discuss some key considerations before deciding to host, the hosting process itself (including checks by your local authorities, DBS checks, and preparing your property), and your role as a host (including what is not expected of you). By participating in SJOG Homes for Ukraine, you can provide a safe and supportive environment for Ukrainian families in need and help them integrate into our community in the UK. We look forward to sharing more information with you about this important initiative. Join us for this presentation to learn more! Register your place here on the Diocesan website:

### **Youcat: Heaven and Heavenly Creatures**

52 What is heaven? *Heaven is God's milieu, the dwelling place of the angels and saints, and the goal of creation.* With the words "heaven and earth" we designate the whole of created reality. Heaven is not a place in the universe. It is a condition in the next life. Heaven is where God's will is done without any resistance. Heaven happens when life is present in its greatest intensity and blessedness—a kind of life that we do not find on earth. If with God's help we arrive someday in heaven, then waiting for us will be "what no eye has seen, nor ear heard, nor the heart of man conceived, what God has prepared for those who love him" (1 Cor 2:9).
