MPs will be given the opportunity to vote on lowering the abortion time limit in an historic vote that is expected to take place in the next couple of weeks. A cross-party group of 25 MPs, led by Caroline Ansell MP, have come together to table a landmark amendment to the Government's flagship Criminal Justice Bill to lower the abortion time limit from 24 to 22 weeks. If the amendment passes, it will be the first positive change to UK abortion laws to happen for over thirty-three years.

A 24-week abortion limit is past the point at which many babies now survive and is double the most common time limit among European Union countries. Research indicates that a significant number of babies born at 22 or 23 weeks' gestation can now survive outside the womb.

The campaign to change the law is being backed by a group of parents who have had children born at either 22 or 23 weeks - one of their stories was featured in an article published by *The Telegraph* earlier this week with others featured on the *Right to Life* website. The charity are encouraging people across our faith community to contact their MPs in support of the amendment - you can find out more about the campaign [here](#).

Cards to sign are available at the back of church, and the Bishops are asking all Catholics to support this campaign.

Bishop Richard has written a new Pastoral Plan for the Diocese: 'The Word Who is Life: The Call to Mission'. As society becomes more secular our parishes must be ever-clearer beacons of light guiding people to Christ. The new Plan highlights how our community of faith can embrace this important time of renewal, forging diocesan parishes into communities of saints and strong, lively, and welcoming schools of discipleship.

The new plan which will be implemented this year will draw existing parishes together into a larger parish - a community of communities. In our case this means that the Deanery of Guildford will become a single parish made up of a number of churches and communities served by a group of priests. There will have to be lots of work done to see how this will be made to work, and will require REAL COMMITMENT to ensure our existing parishes can flourish in this new structure.

Bp Richard has written to the priests of Guildford Deanery to say that Fr Jonathan will be their moderator when the new community of communities is placed under their care later in the year.

The Pastoral Plan is now available on the diocesan website: www.abdiocese.org.uk/diocese/pastoral-plan
