### Second Collection This Week

**Day for life**

### **Day for Life 16 June 2024**

The Church teaches that life is to be nurtured from conception to natural death. In England and Wales, *Day for Life* is celebrated on the third Sunday of June each year.

This year the theme is *The Lord is my Shepherd – Compassion and Hope at the End of Life.*

A debate on end-of-life issues has been in the headlines in recent months with calls for assisted suicide being expressed, especially by celebrities, a view that opposes the Catholic view that life is a gift and that we are called to care for others at the end of their lives.

With this year's *Day for Life* taking as its theme care at the end of life, it is fitting that this *Catholic News* podcast, produced in partnership with the [Centre for the Art of Dying Well](https://www.artofdyingwell.org), <https://www.artofdyingwell.org> goes behind the scenes at [St Joseph's Hospice](#) in Hackney, East London, to challenge stereotypes and find out how they provide high quality patient-centred care for the dying person.

### General Election

The Bishop's conference of England and Wales encourage Catholics to vote and to make sure they consider carefully the moral implications of our faith.

The Catholic Union has also published an election guide with some information and suggested questions for candidates and voters ahead of the General Election. You can download their handy election guide. [Link on website newsletter]

Various pro life organisations give help in encouraging you to find out where candidates stand on pro life issues – which are one of the key issues facing us. e.g.

Over a quarter of a million unborn babies were killed by abortion in England and Wales during 2022, the highest number on record. Pray for an end to abortion in the UK.

### **New Lectionary**

**In Advent a new translation of the Lectionary will come into effect. It is unwise to buy a new missal before then!**

### **Holy Family & Holy Angels Parishes**

Having recently attended the Guildford Deanery Pastoral Meeting representing the Holy Family Parish we have been tasked to share a Good News story from our Parish.

So, we are a small tight knit Parish whose congregation spans families with preschoolers through to nonagenarians. One of our good news stories is perhaps the recent Talent Show that was organised by a young mum in the Parish. It proved to be really popular and really brought the parish together as a community. The Holy Family church hall was packed with families and young children right up to perhaps some of the most elderly members of our Parish. A huge variety of talents were demonstrated and a fun evening was had by all. Who knew that Holy Family had such talent!

#### Prayer

We are asking people to say a Rosary (or an extra Rosary if you say it daily already).

### **You Cat Paragraph 280**

#### ***What reasons do Christians give for human dignity?***

Every person, from the first moment of his life in the womb, has an inviolable dignity, because from all eternity God willed, loved, created, and redeemed that person and destined him for eternal happiness. [1699-1715]

If human dignity were based solely on the successes and accomplishments of individuals, then those who are weak, sick, or helpless would have no dignity. Christians believe that human dignity is, in the first place, the result of God's respect for us. He looks at every person and loves him as though he were the only creature in the world. Because God has looked upon even the least significant child of Adam, that person possesses an infinite worth, which must not be destroyed by men.
