Criminal Justice Bill. "Relaxing abortion legislation further would be a tragic mistake for both mother and child."

Parliament has been dissolved ahead of the General Election. Bills including the Criminal Justice Bill and The Special Envoy for Freedom of Religion and Belief Bill have failed to make the cut.

General Election

The Bishop's conference of England and Wales encourage Catholics to vote and to make sure they consider carefully the moral implications of our faith.

Various pro life organisations give help in encouraging you to find out where candidates stand on pro life issues – which are one of the key issues facing us. e.g.

Over a quarter of a million unborn babies were killed by abortion in England and Wales during 2022, the highest number on record. Pray for an end to abortion in the UK.

Really interesting meeting and very positive vibes from all involved about taking the Pastoral plan forward. We had to describe our parish in just a few words. At Holy Family we consider that we are a small, committed & prayerful Parish with strong sense of community. We look forward to working together collaboratively with other Parishes across the Deanery.
